

## **20091009 SEC : Publication of 2010-2015 Draft Strategic Plan for Public Comment**

### **Source: SEC**

The Securities and Exchange Commission today published for public comment its Draft Strategic Plan that outlines the Commission's strategic goals for fiscal years 2010 through 2015.

The draft plan surveys the forces shaping the SEC's environment and outlines over 70 initiatives designed to support its primary strategic goals.

The draft plan was prepared pursuant to the Government Performance and Results Act of 1993.

The draft strategic plan is available [here](#).
